Your heart beats for intellectual property law and you already have profound practical and theoretical knowledge, preferably not only in Swiss law.

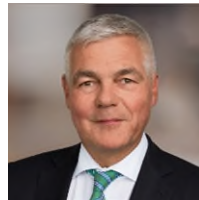

You are focused, constructive, humorous, and work independently and precisely. Furthermore, you bring along a confident appearance and the ability to work in a team. Your German and English are above average. And you are looking for a position in which all development opportunities are open to you.

We are committed to equality in the workplace and consider diversity a strength. All applications that fit the profile are welcome and will be considered.

If we have aroused your interest and you would like to become part of our team, we look forward to receiving your application. If you have any questions, please do not hesitate to contact us.
